◇ WHO WE ARE?

True Spanish Experience is a common project of the largest University in Spain (UNED University), the City Council of Cuenca and the most important Spanish institutions. Together, we have transformed the city of Cuenca into a global Spanish Campus providing high quality Spanish courses linked with the areas of interest of all our international students.

UNED University, through the project True Spanish Experience, works to merge the educational, cultural and idiomatic world within the Universities. We wish to work together, creating a global network in the exchange of cultures. We are convinced that

“Language is the PASSPORT to the world”

Our aim is to become your tool to bring your students to not only learn the Spanish language, but also to know, understand, and live Hispanic Cultures.

UNED University wishes to be your Spanish partner- providing all the support your modern and classical languages department may need.
